Regarding Rainier Beer.
A great deal is truly said re-
garding Rainier beer as a beverage.
It is a light, sparkling beer,
which is particularly palatable
and refreshing during the warm
days of summer. As a mild tonic,
particularly for people who need
a light stimulant, Rainier beer
is of such merit that its use is
frequently recommended by Seat-
tle physicians. In the making of
Rainier beer, the Seattle Brewing
& Malting Co. uses only the
highest quality of hops and malt,
and the process of brewing is
carried out with systematic and
intelligent care, which insures a
perfect product. The reputation
of Rainier beer, both at home and
abroad, attests its unbounded
merits. On tap or in bottles at
the Criterion.

Information for Tourists.

A passenger by the last Colonial
steamer was met on the dock by
a Milesian American friend, who
resides in Honolulu. As the pair
waited to have the newcomer's
gripsack scrawled over with chalk
marks by the Customs Inspector
at the gate the stranger remarked
to his friend "Do you 'ave much
rain 'ere?" RAINIER me boy,
gallons of it, just come up to the
Anchor Saloon where they keep
it always, clear and cool. We'll
just be in time for lunch too and
that's the only place in town
where they serve it up in proper
style with a glass of RAINIER
BEER to equilibrialize the solids—
They went!
